SUPPLEMENTAL EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with J. Jason Link on 10/1/07.

The application has been amended as follows:

In the claims:

In claim 105, line 9, "rotation of the second" has been changed to --rotation of the first--.

In claim 105, line 10, "the second wheel" has been changed to --the first wheel--.

The following is a supplemental examiner's statement of reasons for allowance in view of the amendment above:

Claims 105-117 would be allowable because there is no teaching or suggestion in the prior of an apparatus for applying coating to a food product comprising the combination of a first container for storing the coating; a second container for holding at least a portion of the coating prior to deposition of the coating on the food product; a first wheel comprising at least two coaxial disks, wherein the two disks are spaced apart to form an inner space, and wherein the two outer faces of each disk comprise at least a portion of the outer surface of the first wheel, and wherein at least a portion of the first wheel is positioned in the first container and at least a portion of the first wheel is positioned proximate at least a portion of the second container such

Art Unit: 1734

that upon rotation of the *first* wheel, the *first* wheel transfers coating from the first container to the second container; and a second wheel comprising at least two coaxial disks, wherein the two disks are spaced apart to form an inner space, and wherein the two outer faces of each disk comprise at least a portion of the outer surface of the second wheel, and wherein at least a portion of the second wheel is positioned in the first container and at least a portion of the second wheel is positioned proximate at least a portion of the second container such that upon rotation of the second wheel, the second wheel transfers coating from the first container to the second container.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Laura Edwards whose telephone number is (571) 272-1227. The examiner can normally be reached on Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Philip Tucker can be reached on (571) 272-1095. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
